

Get your share of Gold

Come to our one day national conferences and learn from the best practice of the 2008 Gold Award winners.

Winners of the Housing Corporation's Gold Award for Excellence are funded to spend nine months sharing their best practice so that other social housing providers can learn from, replicate and adapt their initiatives.

GOLD AWARD 2008

Building Cohesive Communities Conference

Wednesday 15 October
Hippodrome, Birmingham

Delivering Joined Up Development Conference

Thursday 4 December
Emirates Stadium, London

If you, or a colleague, would like to attend please contact gold@housingcorp.gsx.gov.uk

GOLD AWARD 2008

THE HOUSING CORPORATION'S
AWARD FOR EXCELLENCE

These one day conferences will provide the opportunity to hear from influential speakers, leading housing professionals and practitioners as well as participate in practical, themed workshops.

Tackling worklessness

Thursday 2 October, Royal Armouries, Leeds

Gold Award winners – Accent Group, Places for People and Derwent and Solway Housing Association – are making a big difference in tackling worklessness. Their imaginative initiatives are helping to support individuals, groups and whole communities in reducing worklessness and the negative social effects that worklessness fuels.

Building cohesive communities

Wednesday 15 October, Hippodrome, Birmingham

At this conference you will be able to hear about how Gold Award Winners Ashram, Old Ford Housing Association and The Papworth Trust have achieved much more stable, productive and cohesive neighbourhoods in which all people value, respect and support each other in meeting their individual and collective aspirations.

Delivering joined-up development

Thursday 4 December, Emirates Stadium, London

Gold Award winners – Great Places, Newlon Housing Trust and Nomad E5 – have delivered much more than homes. They have demonstrated effective and close working relationships with a range of public and statutory partners, which collectively improve both the built and social environment for local communities.
