Ideas Brief

Now you have completed your entry form to participate in the Grand Challenge it is time for you to let us know what you are actually going to do. We don't need you to give us minute detail but in order that we can support you appropriately and so that we can keep track of the whole event we would appreciate a brief overview.

Please complete this form and return it to Mandy Barker at the address below by the **31st October 2008** at the latest.

Brief description of your planned activities and/or event/s – 200 words maximum

(Please include the title of your event or initiative, all the fundraising streams you are utilising, dates and times if appropriate, and an estimate of the number of participants you hope to involve)

We are organising a Charity Golf and Spa Day "PUTTING & PAMPERING" on the 29th November at Brampton Park Golf Club. Our day involves 18 teams of 4 people, plus their partners (up to 144 people in total) and will start at 12noon when everyone will register. The teams will pay to enter the golf competition while their partners enjoy the use of the Spa facilities. There will be bacon sandwiches and Danish pastries available before everyone goes their separate ways. The teams will finish playing golf and people will finish using the spa by approximately 4.30pm and will then change for dinner. In order to maximise the fundraising potential we will be offering companies the opportunity to sponsor the golf holes and the nearest the pin and longest drive competitions. We will receive 25% of the price of any treatments booked at the spa by our participants on the day. We will also be holding a raffle, an auction and an envelop draw during the evening meal. The star prize will be a donated acrobatic flight! The winning golf team will win a trophy and there will be other prizes available too. The day will finish at approximately 8.00pm.
